

Summer Calendar 2025

THE GODDARD SCHOOL® OF INDIANAPOLIS (SOUTHPORT)
7909 McFarland Lane • Indianapolis, IN 46237 • 317-888-4998 • www.goddardschool.com

DATES & THEME	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
JUNE 2 - JUNE 6 How can I take care of myself?	Before reading we will ask "What does tough mean" How can you be tough?	We will read "Llama Llama Home Mama" by Anna Dewdney	WATER SHOW!	We will make a timeline on big events happening over summer!	We will add items such as a stethoscope, and a first aid kit to our dramatic play area.
JUNE 9 - JUNE 13 What is Kindness?	Outdoor play encompasses all different types of play, including gross motor, messy and creative play, play with manipulatives.	Visitor!	Water Play!	We will play a special bowling game with sight words to help us sharpen our reading skills	We will create drawings and notes to give to someone to make their day.
JUNE 16 - JUNE 20 How does it feel to be a part of something?	Yoga: Standing Bending Forward	3D Shape Capacity-We will see how much water 3D shapes can hold.	Water Play!	Puppet Making Workshop	We will play instruments in harmony with our peers.
JUNE 23 - JUNE 27 How can we make the world a better place?	We will share cards full of kind messages with friends and teachers around the school.	Frozen Letters-We will add frozen letters during water play.	Water Play!	We will express our creativity in a new way as we invented our own dance moves.	Visitor
JUNE 30 - JULY 4 What is in outer space?	We will play hide and seek with a green sheep, and our teacher's clues helped us learn what it means to be hot and cold when searching for something.	We will make our own rockets and tried to launch them into space.	Visitor. Water Play!	We will sing five little astronauts.	CLOSED to observe Independence Day!
JULY 7 - JULY 11 What can the sun do?	Shooting Star-We will leap over the water like a star.	Visitor!	Water Play!	We will sing a silly song while we assembled a man on the moon with spaghetti hair, meatball eyes and a cheese nose.	We will use the classroom's natural light to create shadows and traced them on paper.
JULY 14 - JULY 18 Are all planets the same?	We will lift a hula hoop up and over a big ball, modeling Saturn's rings.	My Planet! We will add different size balls to our sensory table.	Water Play!	VISITOR!	We will touch warm and cold washcloths, discovering different temperatures like the ones found on different planets.
JULY 21 - JULY 25 How big is big?	We will play a fun, giant step version of Tag.	Outdoor Art-We will create art using water.	Water Play!	We will compare the sizes of items in the classroom by trying to find something bigger.	Visitor!
