Field Trips

This summer we will experience a new field trip every week and multiple in house visitors throughout the summer. We will go on walking field trips to Milburn Park and the nearby Shakes! We will visit museums, zoos, parks and aquariums. We will be featuring the Metaverse Gaming Truck and even beat the August heat by attending a movie! Each week at Goddard is new and exciting! Where will your next summer adventure take you?

MINI CAMPS

Mini camps are a way of exploring your favorite topics with friends who share your same interests. Campers can choose from 4 different options weekly. There is limited space in each mini-camp, be sure to register early to secure your first choice! There are many choices to choose from. Below are just a few examples of the adventures that await!

Have A Ball

Week of 6/17

This mini camp is made to have you up and running around. We will learn different athletic ways to handle footballs, basketballs, baseballs and many more.

Nature Explorers

Week of 5/28

Our young explorers will get an opportunity to explore their natural world. We will dig, search, scavenge and create to learn more about the outdoor environment around us.

Good Deeds

Week of 6/10

Campers will have the opportunity to give back to their school, homes and community. We will focus on being a good neighbor and ways we can help others in need.

Racecars

Week of 6/10

During super week campers will have a chance to create a wooden car and race them on a racetrack that they make.

Spa

Week of 7/8

Kids will have the opportunity to relax after a summer of excitement! We can paint our nails, style our hair and even create oils and body scrubs. You'll want to make your appointment at the Goddard Spa today!

Edible Science

Week of 6/17

This mini camp explores two of our campers favorite activities, cooking and messy experiments. Campers will learn the layers of the earth using ores, lettuce, chocolate chips and even gummy worms!

Brain Busters

Week of 7/22

Campers will have an opportunity to create and solve many different types of puzzles. Jigsaw, crosswords, sudoku, patterns. Can you stump your friends or even your teachers?

Fueled by FUN!

Designed to be UNIQUE!
